

Striping

Sparkle Bright Pavement and Striping services are provided in Houston, Katy, Sugar Land Bellaire, The Woodlands, Conroe and surrounding areas. We can handle roads, parking lots, parking garages and any other facility in need of striping. Our capabilities include:

- Parking Bumpers - Removal & Installation
- Pavement Marking & Striping
- Speed Bump Installations

- ADA Compliance Pavement markings provide guidance and information. They include, centerline and edge-line stripes, object markers, and pavement legends, such as crosswalk markings, stop bars, arrows and wording. For striping we use highway spray paint oil & latex base traffic paint applied with an airless walk-behind striping machine. For curb painting offer full custom layout, stenciling and restriping. Call Sparkle Bright - Houston's Striping Professionals for a quote on your striping project today at 713-862-9696.
